Nov 30, 2019 · The Nectar of Pain: A Remarkable Journey to Prostate Cancer Recovery. I found Najwa Zebian's story [A Journey to Prostate Cancer Recovery] extremely inspiring. It helped me understand that there is a positive side to everything that happens to us in our lives. Many people might find it hard to understand how a person who has been through what she has been through can be positive, but I believe that some of her story contains positive messages that can help us understand our life, our present and our future. Najwa Zebian was diagnosed with advanced prostate cancer after complaining of pain during urination and a burning sensation while voiding. During the course of her treatment, which included a series of different drugs, her doctors told her that there was no cure for her cancer, and that she would need to live the rest of her life with the disease. Najwa Zebian, an Australian woman, has gone through a lot in her life. From growing up in Sydney to eventually travelling the world, Najwa has experienced a lot. Through her unique story, Najwa Zebian shares her experiences and struggles, as well as her many triumphs. Najwa was diagnosed with prostate cancer in 2009, and has undergone multiple rounds of treatment over the course of her life. She talks about her life, her relationship with her family and friends, and her struggles and triumphs in the book. Review: Prostate Cancer Pain, Seared Nectar, Najwa Zebian: Book Review:.
