Ford is the inventor of the autonomous truck - it's called the Autonet Courier (pronounced "aut-onet C-U-R-R-Y-tee") and it's ready to take the freight world by storm. The Autonet Courier is based on the Freightliner Inspiration chassis. As a way to showcase the innovative features of the Autonet Courier, Ford is offering a six-month lease on a Freightliner Inspiration with the Autonet Courier - a \$30,000 value - that will be delivered to the customer's location. The Freightliner Inspiration was selected to showcase the unique technologies and outstanding performance of the Autonet Courier. With this "head-to-head" program, customers will be able to experience Autonet's exceptional performance, while working in a highly collaborative setting. Additionally, in January 2012, Ford will begin offering a nationwide, no-hassle Autonet program for its truck customers, delivering an Autonet with the ordered truck to their homes.
