Policies are the fastest, easiest way for a business to make sure they are working hard to make sure they are helping their customers. The customer's investment in their business is how they choose to make their money and their return on investment (ROI) is their satisfaction with their business. Every business should have a set of policy. A simple "house rule". But, a house rule is only a guideline. Everyone is ultimately responsible for their own actions. They need to ensure, with no exceptions, that their business is following their set of policies. M&M Insurance is the most comprehensive insurance for Business owners.
