## What's New In AnyDVD NLite Addon?

• AnyDVD for Windows• AnyDVD for DVD Players• AnyDVD for Portable Devices• Remove Copy Protection• Remove Protected Content• Protect Region Code• Language Region Code• RSS icon on main window• AutoIcon on main window• ToofTip• Automatic Permanent Removal of software• Automatic Permanent Removal of programs If you want to automatically remove programs after you close them, you can use this addon. If you want a quick way to remove programs you just don't use anymore, you can use this addon. You can set a program icon, on the tray icon on your desktop. You can simply close an application or remove it from the system by just one click. When you start a program it will also appear on your desktop and in your taskbar for easy use. This addon will do it for you automatically. You also have an automatic option for deleting shortcuts from your desktop, you don't even have to do it manually. Now you can remove temporary files and cookies from all of the programs you use. This addon will do all of it automatically for you. You can also remove startup programs for Windows and show startup programs that your computer doesn't need. You will also save time, because programs that you installed once will not appear again on your computer. This addon is a simple program, it will change the default Windows on your computer to not include any programs. Everything that you remove will be added back to your computer at a later time, and it will be your choice if you want to add it back or not. If you are tired of waiting for everything to start up, you can use this addon to start up all programs when Windows starts. You can configure this addon so that it will start up an application with more than one window. Using this addon, you can synchronize any information from your desktop to the cloud. All of the files on your hard disk, or even your entire computer, can be stored in the cloud, and you can access them with your mobile device from anywhere. This addon will do it automatically for you. I have collected over 1000 software addons and over 250 addons for Windows 8. If you are tired of watching videos on your computer, you can use this addon. Make your computer more user-friendly, easier to use, faster and user-friendly. With one click, you can easily and permanently remove software. You can
