Boneworks is a video game developed by Stress Level Zero and published by Red Pocket. It was released in 2019 on Microsoft Windows. Created by Stress Level Zero and released on May 30, 2019, Boneworks is an experimental physics game about being the next project in the development of a virtual OS. To be released on December 10, 2019, the game allows the player to create their own items, weapons, and tools as they travel through space and time, interacting with the game's mechanical systems. To accomplish this, the player uses their own motion and the movement of in-game objects to solve puzzles and create structures and contraptions. Boneworks is available for the HTC Vive and Oculus Rift headsets. . BONEWORKS Torrent Free Download [Full Version].
